

PRODUCTLINE

Productline is our popular entry-level email marketing option for new product launches. It also provides a cost-effective platform for you to drip-feed your product information to a huge audience. As you build your full campaign, use Productline as a targeted tool to back up your high-visibility activity.

A premium Featured Productline option appears in an expanded middle section of a Productline email and is further promoted at www.scientific-computing.com

- Both options comprise: headline, image, product description and web link
- Sent via email to opt-in database
