

# HPC 2019-20

## Your opportunity to influence thousands of HPC users and integrators, from the team behind *Scientific Computing World*

Packed with in-depth features, informed opinion, detailed analysis, and comment from industry-leading names, *HPC 2019-20* is the perfect publication for you to reach out to the world's leading scientists, engineers, and HPC users.

### ESSENTIAL READING

Following on the success of its predecessors over the previous three years, *HPC 2019-20* will provide readers with a snapshot of the industry as it stands right now, and how thought-leaders believe it will play out in the months ahead. With the high quality editorial features that one has come to expect from *Scientific Computing World*, it will provide an authoritative view of all things HPC.

### CIRCULATION

*HPC 2019-20*, to be published in early October 2019, will reach more than 25,000 users and purchasers of HPC products and services worldwide:

- > **8,000 existing readers of *Scientific Computing World* magazine**
- > **10,000 recipients of SCNewsline email newsletters**
- > **7,000 monthly visitors to [www.scientific-computing.com](http://www.scientific-computing.com)**

### PLUS BONUS DISTRIBUTION AT EVENTS THROUGHOUT 2019 and 2020

- **SC19** (Denver, USA)
- **ISC20** (Frankfurt, Germany)
- **Teratec Conference** (Paris, France)
- **Cloud Computing Expo** (Santa Clara, CA, USA)
- **Nvidia GPU Tech Conference** (San Jose, USA)
- **Computing Insight** (Manchester, UK)

*Further events to be added. All subject to confirmation.*
